

**Loves Park Community Development Department
Code Enforcement Violation Log Updated 3/9/10**

*** This website is offered as a service to the Community by the City of Loves Park to allow its citizens to access information on the progress of investigating complaints of alleged property ordinance violations. The City of Loves Park makes no representation as to the truth of any allegation posted herein prior to investigation. All complaints will be investigated and if, in the opinion of the City, a violation has occurred, a Notice of Violation will be issued. Final determinations will be made by a hearing officer or judge following an evidentiary hearing at which time the City will need to prove the existence of a violation. Alternatively, property owners may choose to cooperate and correct a violation after inspection. If you have any questions, please call (815) 654-5033**
